## Al Madina Takaful Renews Insurance Support to the Omani Association for Elderly Friends

Al Madina Takaful, Oman's first Takaful insurance provider, reiterated its CSR commitment by extending continued support to the Omani Association for Elderly Friends by sponsoring the insurance fee for their bus for the second consecutive year.

This project was initiated last year to help provide support to the charity organization in aid of facilitating better service. The renewal of the policy was due this year and Al Madina Takaful has renewed it to ensure smooth and assured support.

Founded in 2013, the Omani Association for the Elderly Friends provides care and support to the elderly through its various initiatives. Based in the Ash Sharqiyah North Governorate, the association covers the wilayats of Ibra, Bidiya, Al Kabil, Dima W'attayeen, Al-Mudhaibi and Wadi Bani Khalid. This insurance for their bus will enable the charity to extend their services to the needy with the assurance of secured protection.

Al Madina Takaful has been providing continuous support to the charity and this renewed support is aimed at enabling the association further its activities.

*“We are honoured to support the Omani Association for Elderly Friends. This insurance is our way of supporting the community and providing protection in a meaningful way. We see this as our duty to be resourceful to the elderly and it has given us an opportunity to serve our community.”* said Usama Al Barwani, Acting CEO, Al Madina Takaful.

End.
